and theology in application in each section of every commentary. Critical scholarship informs each step but does not dominate the commentary, allowing readers to concentrate on the biblical author’s message as it unfolds. While primarily designed for those with a basic knowledge of biblical Greek, all who strive to understand and teach the New Testament will find these books beneficial. The Zondervan Exegetical Commentary on the New Testament series covers the entire New Testament in twenty volumes; Clinton E. Arnold serves as general editor. 1-3 John In her commentary on John’s letters, Karen H. Jobes writes to bridge the distance between academic biblical studies and pastors, students, and laypeople who are looking for an in-depth treatment of the issues raised by these New Testament books. She approaches the three letters of John as part of the corpus that includes John’s gospel, while rejecting an elaborate redactional history of that gospel that implicates the letters. Jobes treats three major themes of the letters under the larger rubric of who has the authority to interpret the true significance of Jesus, an issue that is pressing in our religiously pluralistic society today with its many voices claiming truth about God. This new commentary in the New Testament Library series is not a systematic study of Pauline theology; rather, the aim of this study is to trace Paul’s theology as it unfolds in his letter to the church at Galatia, and to attempt to illuminate, as far as possible, how the Galatians likely comprehended it, at the time they received it. The author asks readers to imagine themselves as silent witnesses to Paul’s dictation of the letter and to observe, through a historical perspective, how the Galatian Christians might have understood Paul’s words. Designed for the pastor and Bible teacher, the Zondervan Exegetical Commentary on the New Testament features today’s top New Testament scholars and brings together commentary features rarely gathered together in one volume. With careful analysis and interpretation of the Greek text, the authors trace the flow of argument in each New Testament book, giving readers the tools they need to properly understand and communicate the meaning of the text. Commentary on each passage follows a clear structure to help readers grasp the flow and meaning of the text: Literary Context: A brief discussion of how the passage functions in the broader literary context of the book. Main Idea: A one- or two-sentence statement of the big idea or central thrust of the passage. Translation and Graphical Layout: Presents each commentator’s translation of the Greek text in a graphical layout to help the reader visualize, and thus better understand, the flow of thought within the text. Structure: Describes the flow of thought in the passage and explains how certain interpretive decisions regarding the relationship of the clauses were made in the passage. Exegetical Outline: The overall structure of the passage is described in a detailed exegetical outline. This will be particularly helpful for those who are looking for a way to concisely explain the flow of thought in the passage in a teaching or preaching setting. Explanation of the Text: Commentators examine words and images, grammatical details, relevant Old Testament and Jewish background to a particular concept, historical and cultural context, important text-critical issues, and various interpretive issues that surface. Theology in Application: The theological message of the passage is summarized. The author discusses the theology of the text in terms of its place within the book and in a broader biblical-theological context. Finally, each commentator provides some suggestions on what the message of the passage is for the church today. The Zondervan Exegetical Commentary on the New Testament series is the go-to resource for pastors and Bible teachers looking for deep but accessible study that equips them to connect the needs of Christians today with the biblical text. New volume in a favorite Bible commentary series Writing a commentary on Galatians is a daunting task. Despite its relative brevity, this Pauline letter raises a number of foundational theological issues, and it has played a vital role in shaping Christian thought and practice over the centuries. In this replacement of Ronald Y. K. Fung’s 1988 New International Commentary volume, David deSilva ably rises to the challenge, providing a coherent account of Galatians as a piece of strategically crafted communication that addresses both the immediate pastoral challenges facing Paul’s converts in Galatia and the underlying questions that gave rise to them. Paying careful attention to the history, philology, and theology of the letter, and interacting with a wealth of secondary literature on both Galatians and the rest of the Pauline corpus, deSilva’s exegetically sound commentary will serve as an essential resource for pastors and theological students. Jerome’s Commentary on Galatians is presented here in English translation in its entirety. This volume by Dr. Thomas R. Schreiner on the interplay between Christianity and biblical law is an excellent addition to the 40 Questions & Answers series. Schreiner not only coherently answers the tough questions that flow from a discussion about the Old Testament Levitical Law, but also writes clearly and engagingly for the student. The pastor, student, and layperson can easily understand Schreiner’s biblical theology of the Law. This all-in-one commentary bundle on the book of Galatians features volumes from the NIV Application Commentary Series, Zondervan Exegetical Commentary Series, and Expositor’s Bible Commentary Series. Each volume provides new and unique insights from

Bock offers background information on date, destination, purpose, form and theological themes in the New Testament. He notes that Luke's Gospel is a source of unity for his disciples and for believers from every walk of life. Tax collectors, Roman soldiers, prostitutes, city officials, religious leaders, widows and fishermen were among the diverse group brought together in the early Christian church. "The Gospel is universal in its perspective and cosmic in its scope," Bock writes. "As we look at our modern multicultural world, . . . certainly there is relevance in a Gospel that highlights how men and women of different ethnic origins can be transformed into a unified community." Along with a passage-by-passage exposition of Luke, Bock offers background information on date, destination, purpose, form and theological themes in the New Testament.

What problems were they facing? Among a variety of religious authorities espousing different teachings, how were they to know who was right? How were men and women to be put right with God? How could Christians in the midst of a pagan culture live lives truly pleasing to God? 'Only one way'-answered Paul, 'through Jesus Christ.' His answer holds true for us as well. The details of our struggle have changed since Paul’s day, but the principles he sets forth are as timeless as the Lord he exalts.
