Rewriting Indian History

What is more important: a successful career or a happy marriage? In the small town of Hubli, Shrikant discovers that he is attracted to his plain-looking but charming neighbour Shrimati, who always does better than him in the school exams. Shrimati too falls in love with the amiable and handsome Shrikant and the two get married. Shrikant joins an IT company and starts rapidly climbing the corporate ladder. He works relentlessly and reaches the pinnacle of his industry, while Shrimati abandons her academic aspirations and becomes his uncomplaining shasow, silently fulfilling her duties as a corporate leader’s wife. But one day, while talking to an old professor, she starts examining what she has done with her life and realizes it is dismally empty. Gently Falls the Bakula is the story of a marriage that loses its way as ambition and self-interest take their toll.

Written nearly three decades ago, Sudha Murty’s first novel remains startlingly relevant in its scrutiny of modern values and work ethics.

The Queen of Kittur

AKASHVANI

The Rani of Kittur (748) ‘People say that I am a quarrelsome woman’ TARABAII, MARATHA QUEEN (1675–1761) The history of India, more often than not, is a history of the men who were in charge. Largely forgotten are the women who, even centuries earlier, shaped the fates of entire kingdoms. In The Women Who Ruled India, writer and researcher Archana Garodia Guptarevives 20 such powerful figures from the archives, offering us a glimpse of their fascinating lives. Among them are Begum Samru, a courtesan who went on to become the head of a mercenary army and the ruler of Sardhana; Didda of Kashmir, known for her keen political instinct and a ruthlessness that spared no one; Rani Abbakka of Ullal, the fearless queen who took on Portuguese colonizers in their heyday; and Rani Mangammal of Madurai, the famed administrator who built alliances at a time when going to war was the order of the day. These women and others like...
them built roads, instituted laws and were generous patrons of the arts and sciences. Their stories of valour and diplomacy, leadership and wit continue to inspire today. Peppered with anecdotes that showcase little-known facets of their personalities, the accounts in this book celebrate heroic rulers who - 'quarrelsome' though they might have been - were iconoclasts: unafraid to forge new paths.

Freedom Fighters of India (in Four Volumes) From the moment in the 1680s that the East India Company began to trade with the Mughal rulers of the port cities of Surat, M adras, Bombay, Calcutta, and Chittagong, the story of the Indian subcontinent was changed forever. Before its dissolution in 1857, the officers of the East India Company had under their command more than a quarter of a million troops, and functioned not as a trading partner but a quasi-imperial government whose monopolistic habits and trade preferments included the tax on tea that led directly to the American Revolution. On its dissolution the Times reported: "It accomplished a work such as in the whole history of the human race no other company ever attempted and as such is ever likely to attempt in the years to come." This was meant as a compliment, but it concealed a much more brutal truth. From the famine of 1770 in which one third of the people living in the state of Bengal perished to the Anglo-Mughal wars and the later brutal repression of the Anglo-Afghan Wars, the story of the British in India was one of conflict and divide-and-rule, relentlessly applied from the relative security of the world's most powerful naval vessels and the forts they supplied. Interspersed between the major wars were numerous minor conflicts, most lost to popular histories, which underscore the continual violence of the imperial project. In The Chaos of Empire, Jon Wilson uses the everyday lives of administrators, soldiers and subjects, British and Indian, to lift the veil of empire to show how British rule really worked. Far from the orderly Raj that its officials sought to portray, British rule in conquered India was chaotic and paranoid, and led to a succession of unstable states in South Asia and across the world. Most importantly, empire in India created a huge gap between image and reality, enabling a small number of people—a social and political elite—to project power across the world. Among its legacies were continual cycles of hubristic state enterprise followed by massive failure—up to and including the neo-imperial adventures in Afghanistan and Iraq now. Long after the end of empire, The Chaos of Empire argues that we still try to live by the myths created by the Raj. At a time when Prime Minister Narendra Modi is arguing that Britain should pay restitution for the damage done to the Indian subcontinent under British rule, this comprehensive, dynamic, and fierce history of Britain's rule is timely, provocative, and immensely readable.

Current Affairs Monthly Capsule October 2021 E-book - Free PDF! The novel depicts the colonial encounter between Rani Chennamma and the authorities of the East India Company around 1824 for land and political power. Although the Rani put up a heroic fight with the East India Company authorities and succeeded in killing Mr. Thackeray, the Political Agent of South India and Collector of Dharwad, she was betrayed by her own courtiers later, and consequently, she was defeated by the East India Company authorities headed by
The Queen of Kittur

Welcome to Kittur, India. It's on India's southwestern coast, bounded by the Arabian Sea to the west and the Kaliamma River to the south and east. It's blessed with rich soil and scenic beauty, and it's been around for centuries. Of its 193,432 residents, only 89 declare themselves to be without religion or caste. And if the characters in Between the Assassinations are any indication, Kittur is an extraordinary crossroads of the brightest minds and the poorest morals, the up-and-coming and the downtrodden, and the poets and the prophets of an India that modern literature has rarely addressed.

A twelve-year-old boy named Ziauddin, a gofer at a tea shop near the railway station, is enticed into wrongdoing because a fair-skinned stranger treats him with dignity and warmth. George D'Souza, a mosquito-repellent sprayer, elevates himself to gardener and then chauffeur to the lovely, young Mrs. Gomes, and then loses it all when he attempts to be something more. A little girl's first act of love for her father is to beg on the street for money to support his drug habit. A factory owner is forced to choose between buying into underworld economics and blinding his staff or closing up shop. A privileged schoolboy, using his own ties to the Kittur underworld, sets off an explosive in a Jesuit-school classroom in protest against casteism. A childless couple takes refuge in a rapidly diminishing forest on the outskirts of town, feeding a group of "intimates" who visit only to mock them. And the loneliest member of the Marxist-Maoist Party of India falls in love with the one young woman, in the poorest part of town, whom he cannot afford to wed. Between the Assassinations showcases the most beloved aspects of Adiga's writing to brilliant effect: the class struggle rendered personal; the fury of the underdog and the fire of the iconoclast; and the prodigiously ambitious narrative talent that has earned Adiga acclaim around the world and comparisons to Gogol, Ellison, Kipling, and Palahniuk. In the words of The Guardian (London), "Between the Assassinations shows that Adiga is one of the most important voices to emerge from India in recent years." A blinding, brilliant, and brave mosaic of Indian life as it is lived in a place called Kittur, Between the Assassinations, with all the humor, sympathy, and unflinching candor of The White Tiger, enlarges our understanding of the world we live in today.
Indias Malayalam region being (in modern times) the most balanced in terms of religion and also the most literate, its Kannada zone occupying South Indias geographical centre and containing the sites of the Vijayanagara kingdom and also the kingdom of Haidar and Tipu, its Telugu portion the largest in area and holding the most people, and its Tamil part the most Dravidian and possessing the oldest literature, the four principal cultures are, unsurprisingly, competitive. But they are also complementary. This is a Dravidian story, and also more than that. It is a story involving four centuries, the seventeenth, eighteenth, nineteenth and twentieth, yet other periods intrude upon it.

The English Connection Coursebook 7 Perspectives in Indian History deals with the history of India from 10,000 BC until 1857 AD. It delves into the story of the Indus-Saraswati civilization and the development of the Vedas. Such a book has been written for the first time, wherein India's history has been analyzed from the early Hindu period. Hitherto most history books have emphasized the Muslim period or the British period. These have been written by Muslim historians or European colonists, which was often skewed by their fundamental bias that no civilization could equal their own. During this retelling, the author covers the interesting aspects of each age starting with the Ramayana. He then examines hotly debated issues like whether Alexander the Great won or lost in India. The author carries out an analysis of the causes of the conquest of India by the Muslims. The author analyses detailed battleplans of major battles, which affected India's history, like Panipat, Plassey, and many others, and discusses the weaponry and tactics used in these wars.

The Philosophy of Bhaghavadgita The English Connection, an integrated skills course, highlights the holistic approach to language teaching and learning. The underlying principles of language learning advocated by the CBSE, i.e., learner autonomy, reflective thinking, creativity, and interactive learning, have been incorporated in the pedagogy that is embedded in the course content of the series.

Oswaal Karnataka SSLC Question Bank Class 10 (Set of 3 Books) Science, Social Science, Mathematics (For 2022 Exam) The novel depicts the colonial encounter between Rani Chennamma and the authorities of the East India Company around 1824 for land and political power. Although the Rani put up a heroic fight with the East India Company authorities and succeeded in killing Mr. Thackeray, the Political Agent of South India and Collector of Dharwad, she was betrayed by her own courtiers later, and consequently, she was defeated by the East India Company authorities headed by the Commissioner of the Deccan, Mr. Chaplin. Then her kingdom of Kittur was annexed to the British Raj, and she was imprisoned in her own fort at Bailahongala, where she breathed her last in 1829 after suffering from nostalgia for the past glory of her kingdom.

The Courts of the Deccan Sultanates When Chenamma, the queen of Kittur, lost her only son she was steeped in sorrow. But when her husband reminded her that even the people of Kittur were her children she pulled herself together and
devoted her life to their well-being. So committed was she to the honour and welfare of her land that when the British came asking for its allegiance she took on their military strength and fought them to the end.

Women's Empowerment & Gender Parity "Akashvani" (English) is a programme journal of ALL INDIA RADIO, it was formerly known as The Indian Listener. It used to serve the listener as a bradshaw of broadcasting, and give listener the useful information in an interesting manner about programmes, who writes them, take part in them and produce them along with photographs of performing artists. It also contains the information of major changes in the policy and service of the organisation. The Indian Listener (fortnightly programme journal of AIR in English) published by The Indian State Broadcasting Service, Bombay, started on 22nd December, 1935 and was the successor to the Indian Radio Times in English, which was published beginning in July 16 of 1927. From 22nd August, 1937 onwards, it was used to publish by All India Radio, New Delhi. In 1950, it was turned into a weekly journal. Later, The Indian listener became "Akashvani" (English) in January 5, 1958. It was made a fortnightly again on July 1, 1983. Indian English Literature The fundamental purpose of the Bhagavad Gita is to illuminate all of humanity, the realization of the true nature of divinity for the highest spiritual conception and the greatest material perfection is to attain supreme love of God. It is a work showing lessons of philosophy, religion and ethics; it teaches every human being the art of living, the way of life. According to William Von Humboldt, the Gita is ‘the most beautiful, perhaps the only true philosophical song existing in any known tongue’. As a philosophical manifesto, the Bhagavad Gita plays an important influence in society. A philosophical guide acts like a spiritual magnifying glass, enabling people to discern the external and internal elements that surround their vision and bring error in our understanding. What we find in the works of philosophical masters are living truths which speak of mundane problems as well as spiritual needs of our day. People of such brilliant intellect who grow spiritually are able to interpret and transmit masterpieces like Bhagavad Gita in true spirit of life. Many a milestone is set by the followers of Gita and practical wisdom is the ultimate fulcrum of the philosophy. P. V. Laxmiprasad

Tribal Contemporary Issues Women Warriors in Indian History explores the life of ten Indian women warriors as narrated by other historical characters. While Italian traveller Marco Polo recounts the story of his contemporary Queen Rudramba, Emperor Jahangir narrates the tale of Durgavati to his future consort. Legendary Tatya Tope unfolds Avantibai’s heroics to Lakshmi Bai and the eunuch General Malik Kafur regales a young sultan with Raziya Sultana’s exploits. Put together chronologically, from the slave dynasty to the first war of Indian independence, these stories showcase the changing canvas of Indian history. More importantly, the narratives bring forward the exceptional qualities of these women warriors, while fighting against gender, social, religious and political odds and oppositions. They prove that women are unequivocally strong leaders who have waged and won many battles with courage and conviction down the ages. Well-researched and engagingly narrated, this book familiarizes readers with these extraordinary women, their highs and lows and provides a glimpse into their unique, yet relatively less known lives.

Encyclopaedia of Indian Literature The Indian English Novel of the New Millennium is a book of sixteen pieces of scholarly critique on recent Indian novels written in the English language; some on specific literary trends in fictional writing and others on individual texts published in the twenty-first century by contemporary Indian novelists such as Amitav Ghosh, Kiran Desai, Aravind Adiga, K. N. Daruwalla, Utpanayu Chatterjee, David Davidar, Esterine Kire Iralu, Siddharth Chowdhury and Chetan Bhagat. The volume focuses closely on the defining features of the different emerging forms of the Indian English novel, such as narratives of female subjectivity, crime fiction, terror novels, science fiction, campus novels, animal novels, graphic novels, disability texts, LGBT voices, dalit writing, slumdog narratives, eco-narratives, narratives of myth and fantasy, philosophical novels, historical novels, postcolonial and multicultural narratives, and Diaspora novels. A select bibliography of recent Indian English novels from 2001-2013 has been
given especially for the convenience of the researchers. The book will be of
great interest and benefit to college and university students and teachers of
Indian English literature.

Important National Current Affairs October 2021 - Download PDF

Oswaal Karnataka SSLC Question Bank Class 10 (Set of 3 Books) Science, Social
Science, English First Language (For 2022 Exam) This book is a tribute to
millions of women across the world who have been struggling and overcoming the
odds of life in their recurring quest for empowerment and equality, firmly
resolving to preserve their dignity and identity in a patriarchal milieu.
Women who have raised their voice against oppression and discrimination are
constantly striving to reclaim their rights by overcoming the challenges
encountered in life. They are trailblazing influencers inspiring humanity to
strike a holistic gender balance leading to sustainable development where both
the genders take an equal and active part in leading happy lives. What is the
status quo on gender equality? Why are crimes against women increasing? Can
gender sensitization solve the inequity issue? These are some of the paradigms
that are dealt with in the book. The journey of true empowerment is difficult,
but the resolute strength to obliterate the gender gap is unbeatable... The motto
is to achieve women’s empowerment through gender equality and gender
sensitization.

Know All Important Days and Events Current Affairs October 2021 In the long
drawn political struggle for the attainment of swaraj several leaders
representing various regions of our sub-continent played their historic role.
Each volume contains the significant phase of the movement which generated the
spirit of patriotism among the millions of people. This multivolume work
illuminates the role played by the Freedom Fighters during the freedom
struggle. In fact, besides majority community, all minorities have played
important role in freedom struggle. Dalit leaders equally played important
role in 1857. This multi volume work thus highlights the contributions of
people from all sections of society in the freedom movement during Indian
freedom. This is an attempt to draw upon their remembrance of the freedom
struggle. Efforts have been made to include Freedom Fighters from various
regions. The reminiscences of these unsung heroes reveal deep dedication and
spirit with which they fought against the atrocities of the British risking
their life and profession. The history of Freedom Movement would be incomplete
without mentioning the contribution of women. In the Volume IV, we can study
about women who participated in the freedom struggle and made rich
contribution in various ways. Some of them were imprisoned, fined and suffered
for freedom, and their contributions cannot be overlooked. The great
contributions of these ladies and lords should be brought to the knowledge of
the present generation, and this would be the best way to pay homage to
them. This multivolume is a tribute to the Freedom Fighters in India’s freedom
movement.
